SUBJECT: Encouraging an unlawful search

This letter serves notice that I am asking for a formal investigation of the Navarre High School Resource Officer, deputy Sean Reilly, for encouraging an unlawful search by a citizen. Specifically, deputy Reilly encouraged a parent who came to the school to meet deputy Reilly to go to our home and determine the location of a family member and to then report back to him their findings. This is documented in a police report within a statement by Deputy Reilly. Deputy Reilly has committed a serious violation of departmental policy and the law, and for this reason, and for the safety of the community at large, complainant requests a formal investigation be undertaken immediately.
